

Peranbin Primary College

STRATHBOGIE CAMPUS

***GOODS & SERVICES
AUCTION***

Strathbogie Hall

19th May 2012

OUR SCHOOL.

Strathbogie Campus currently has 24 students and two dedicated teachers, Ellen Conroy and Kate Hand.

Our children enjoy weekly visits from a music, ICT and Japanese teacher along with a fortnightly visit by the mobile library, known by the children as "Libby Library".

Our children are fortunate to take part in many extra-curricular activities including swimming, tennis, netball, soccer, hockey 7's, volleyball, golf, cricket, badminton and bike education – all of which stems from our comprehensive physical education program and teacher involvement.

Every year we are entertained with a school concert, often written by the children.

Our school is very active in the community, with involvement in programs such as Salt Watch, Water Watch, Waste Wise and Landcare, along with activities including tree planting, Clean Up Australia Day, Australia and Anzac Day ceremonies and the 70's luncheons, where the children serve lunch and talk with the senior citizens in our community.

Through our previous fundraising events, we have been able to provide laptop computers for the children, renovate the kitchen and offer many other opportunities to our students.
