Strathbogie Tableland Action Group

Introduction

This updated Community Directory is an initiative of the Strathbogie Tableland Action Group (STAG) and was one of the projects put forward in the last Strathbogie Action Plan. It encompasses 03 5790 5... and 03 5790 8... phone numbers and has been compiled after five months of community consultation.

The development of this Directory has been made possible with the financial assistance of the Strathbogie Shire Council and the voluntary efforts of STAG's Communications Sub-committee who are also responsible for Tableland Talk and the community website www.strathbogie.org. Visit the website for an online copy of this directory and a comprehensive range of things to see and do on the Tableland.

Strathbogie Tableland Action Group

STAG was formed in 2005. A public meeting is held approximately every two years to discuss projects which will benefit the community. Supported projects are documented on the Community Action Plan and interested people get together to investigate and carry out each project. These projects may be eligible for Community Grant funding. One of the ways STAG members support these projects is through liaising with Strathbogie Shire Council.

Completed Action Plan Projects include:

- Emergency Resource Booklet and purchase of generator for Place of Last Resort
- Telstra Tower on Mt Wombat (3G reception widely accessible)
- Road Works (road widening and remarking; installation of signage at dangerous intersections)
- Footpath from school to Spring Creek Rd and pedestrian bridge across Spring Creek
- Community Directory (published in 2006; updated 2012)
- Strathbogie Tableland Community Website (Launched in 2008; updated 2012)
- Refurbishment of the community noticeboard
- Development of a tourism brochure
- Purchase of AV equipment (data projector and screen for community use)

Justices of the Peace

Justices of the Peace (JPs) are now known as Honorary Justices. JPs provide their services to the community as independent witnesses of statutory declarations, powers of attorney and affidavits. JPs are recommended by the State Attorney-General and appointed by the Governor General in Council, and it is their job to authorise and witness statutory declarations and affidavits within the State of Victoria.

Local residing JPs are:
